SPRING 2019 DEADLINE:  **SEPTEMBER 21, 2018**  EXTENDED: September 28

Fall 2018 is just underway and the deadline for Spring is already just a few weeks away. So far, Wright State Students have saved over $750,000 with the Inclusive CourseWare program and we are excited to expanded the program to up to 200 courses for Spring 2019!

Results from the pilot are in and faculty are pleased that all students having their material in Pilot on the first day of class and students of course like the savings and the convenience of the material being billed directly to their student account.

Would you like to add your class to the program for Spring 2019? Publisher reps and the WSU Bookstore will be coming around to talk about the program in the next few weeks. You may also reach out directly to Jen at the WSU Bookstore no later than September 21 (the sooner the better!).

The WSU Bookstore is your point of contact and will do all of the set-up work for you. Once your request is received, the Bookstore will work with the publisher to negotiate student price to ensure we are following the Department of Education requirements. Once pricing is negotiated, the Bookstore will complete all fee request paperwork and obtain proper approvals. All of these steps must be completed before the Spring course schedule is posted on October 15, 2018, hence the September 21st due date.

**WHAT DOES FEE LOOK LIKE TO STUDENT?**
Courses will be identified with Inclusive CourseWare in Wings Express Course Catalog as shown here in this example.

**STUDENT SUCCESS:** ALL students receive material on the first day of class so faculty can begin teaching on day one. A recent survey of Wright State Student showed that over 51% of students did not have their course materials on the first day of class.

**MESSAGE TO STUDENTS:** We take your education seriously. In addition to negotiating huge discounts, Wright State University coordinates with the WSU Bookstore and the publishers to deliver your materials through Pilot, so they are available the first day of class. Opting out of the fee, and the automatic delivery of the electronic book and materials, IS NOT recommended. If you opt out, you are responsible for purchasing access at a higher cost and any delay will hinder your success in this class.

**CAN A STUDENT GET A REFUND?** A great benefit of Inclusive Courseware is that the fee is refundable during the 100% refund period if you switch classes or drop. Please make note of the new Wright State University Tuition & Fees Refund Policy effective Summer 2018.

**CAN A STUDENT GET IT FOR LOWER PRICE?** We negotiate with the publishers and the price must be below market value in order for it to be part of the Inclusive Access program. We will research market prices to ensure the material will be lower than what they can find elsewhere. Just the 9 pilot courses in Spring 2018 saved our students over $102,000!

**WHAT ABOUT STUDENTS WITH FINANCIAL AID, SCHOLARSHIPS, OR COLLEGE CREDIT PLUS?** Another great benefit of Inclusive Access is that the fee is part of the student bill so financial aid will be applied right in their student bill. The bookstore will take care of any charges that may need to be paid by a third-party such as College Credit Plus. Please direct questions to contacts below.

**WHAT ABOUT VETERANS WITH CHAPTER 31 OR CHAPTER 33/G.I. BILL BENEFITS?** Chapter 31 will be billed to the VA along with tuition. For Chapter 33/G.I. Bill, the student is responsible for paying the Inclusive Courseware charge on their student bill. The fee may be submitted for reimbursement as part of your stipend for textbooks.

**OPT-OUT (REQUIRED BY DEPT. OF EDUCATION):** Students wishing to exercise their right to opt-out of an eligible Inclusive CourseWare Fee should visit RaiderConnect to obtain an opt-out form. This may be done during the 100% refund period. The process/form is manual at this time and may be part of Banner once upgrades to the system are complete.

**WILL THIS IMPACT MY DEPARTMENT BUDGET?** No, fees will be managed and audited by Auxiliary Services.
