WHAT IS INCLUSIVE COURSEWARE?
Inclusive Courseware is a textbook affordability solution resulting from collaboration of Student Government, Faculty, Administration, Campus Bookstore, and many other departments across campus all working together to help WSU students save money on textbooks.

WHAT DO I GET WITH MY INCLUSIVE COURSEWARE CHARGE?
If you have a class using Inclusive Courseware, your instructor chosen material will be billed to your student account at the lowest price-and the digital eText and interactive components will be delivered in Pilot - ready for the first day of class!
Please check with the WSU Bookstore to see if any additional materials are needed for the course (lab manual, notebook, novel, etc).

WHAT IF I DROP THE COURSE or CHANGE SECTIONS?
Its easy! As long as you do so during the 100% refund period for tuition*, the Inclusive Courseware charge will be refunded to your account. This refund will be processed automatically so you do not need to do any paperwork.
*Currently first 2 weeks of semester-see academic calendar to confirm dates

CAN I GET THE CONTENT CHEAPER?
We negotiate with the publishers and the price must be below market value in order for it to be part of Inclusive Courseware. Because of the interactive components such as Connect, MyLab, Mindtap, etc., typical savings options like used and rental will not be available because these are a one-time use and need to be purchased new.

WHAT IF I WANT A PRINT COPY OF THE BOOK?
Some classes may offer a print companion at a significantly lower price ($15 and up). Availability will vary depending on the publisher use for the Inclusive Courseware and is generally a loose-leaf without any access code. Please contact WSU Bookstore for availability.

WHAT IF I HAVE FINACIAL AID OR SCHOLARSHIPS THAT PAY FOR MY BOOKS?
You will see Inclusive Courseware on your student bill and this charge will be covered if funds are available after tuition is paid. Please contact RaiderConnect for specific questions regarding your student bill.

WHAT ABOUT VETERANS WITH CHAPTER 31 OR CHAPTER 33/G.I. BILL BENEFITS?
Chapter 31 will be billed to the VA along with tuition. If you are on Chapter 33/G.I. Bill, you are responsible for paying the Inclusive Courseware charge on your student bill and submitting for reimbursement as part of your stipend for textbooks.

WHAT IF I AM RETAKING THE COURSE?
Like tuition, you will need to pay for the Inclusive Courseware again. A few exceptions may be made to this and it is at the publisher discretion if they extend access at no additional charge. Please contact the WSU Bookstore if this situation applies.

WHAT IF I WANT TO OPT-OUT?
You may choose to Opt-Out of Inclusive Courseware, but this is strongly discouraged. Inclusive Courseware typically contains deeply integrated components such as Connect, MyLab, Mindtap, etc. that are used in your course. If purchased separately, you will not be part of this integration which will cause course disruption for the instructor and you.
If you decide to Opt-Out, you are responsible for purchasing access at a higher cost and any delay will hinder your success in this class.
If you still wish to exercise your right to Opt-Out please visit RaiderConnect to obtain an opt-out form. The deadline to Opt-Out is the same as the 100% refund period for tuition*.
